

Procedures

Full Exterior: (1 ½+ hours)

___ Rinse - (Removing any build up) (CAREFUL! PRESSURE WASHERS CAN REMOVE PAINT, remember under wipers and inner fenders)

___ Wash - (Hand wash with soap; glasses & windows, Tires & Wheels, and anybody surface)

___ Rinse (Again) - (REMEMBER, USE WITH CAUTION!)

___ Hand Dry – (Keep towel free of debris to prevent scratches)

___ Tire Shine - (Wipe any dripping away)

(Additional Exterior options)

___ Engine Detailing (Special engine cleaning spray, DO NOT SPRAY TOO CLOSE WITH PRESSURE WASHER)

___ Wax - (Wiping each area with a soft cloth afterwards)

___ Chrome Polish (Special chrome polish)

___ Polish - (With Buffer, wipe away any excess polish)

___ Engine - (open hood and clean engine, careful for water sensitive areas)

___ Undercarriage - (use pressure washer to spray undercarriage with foam, then rinse)

___ Exterior complete!

Full Interior: (1 ½+ hours)

___ Door Jams – (clean each door jam completely, along inner door frame and edges of door)

___ Vacuum - (Quick vacuum to get larger pieces)

___ Air Blow – (Open doors and Use blower to blow dirt out of hard-to-reach spots)

___ Vacuum (again) – (Comb through again, picking up any dirt from the blower)

___ Wipe (Spray and wipe down all hard surfaces, including vents, cup holders, door jams, and cubbies)

___ Glass (Wipe all glass/mirror surfaces with special glass solution and microfiber towel)

___ Leather Conditioning (work conditioner into leather seats and let dry to treat)

___ Wrap floor mats (Wrap floor mats and lay down “thank you” floor sheet. If no floor mats, then wrap “thank you” floor sheet)

(Additional Interior options)

___ Pet fur/hair Removal (Use bristle brush and bristle vacuum attachment to help gather tedious hair)

___ Shampoo/Stain Removal (use spot foam and scrubber for stubborn stains, then comb over with detergent vac)

___ Take out/Put in Seats (Clean seat rails and area under seat)

___ Interior Complete!

Lightning Strike: (90 min or less)
